

# Somewhere Over the Rainbow

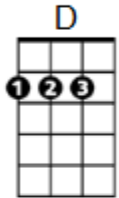

For Ukelele

Somewhere over the rainbow

**G** **Bm**

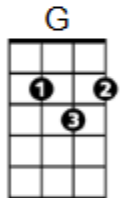

Way up high

**C** **G**

**C** **G** **D** **G**

Somewhere over the rainbow

**G** **Bm**

Skies are blue

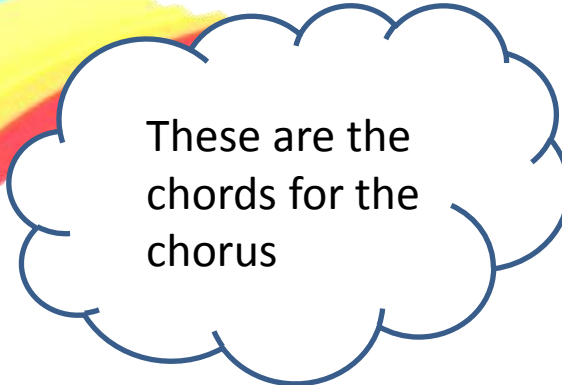

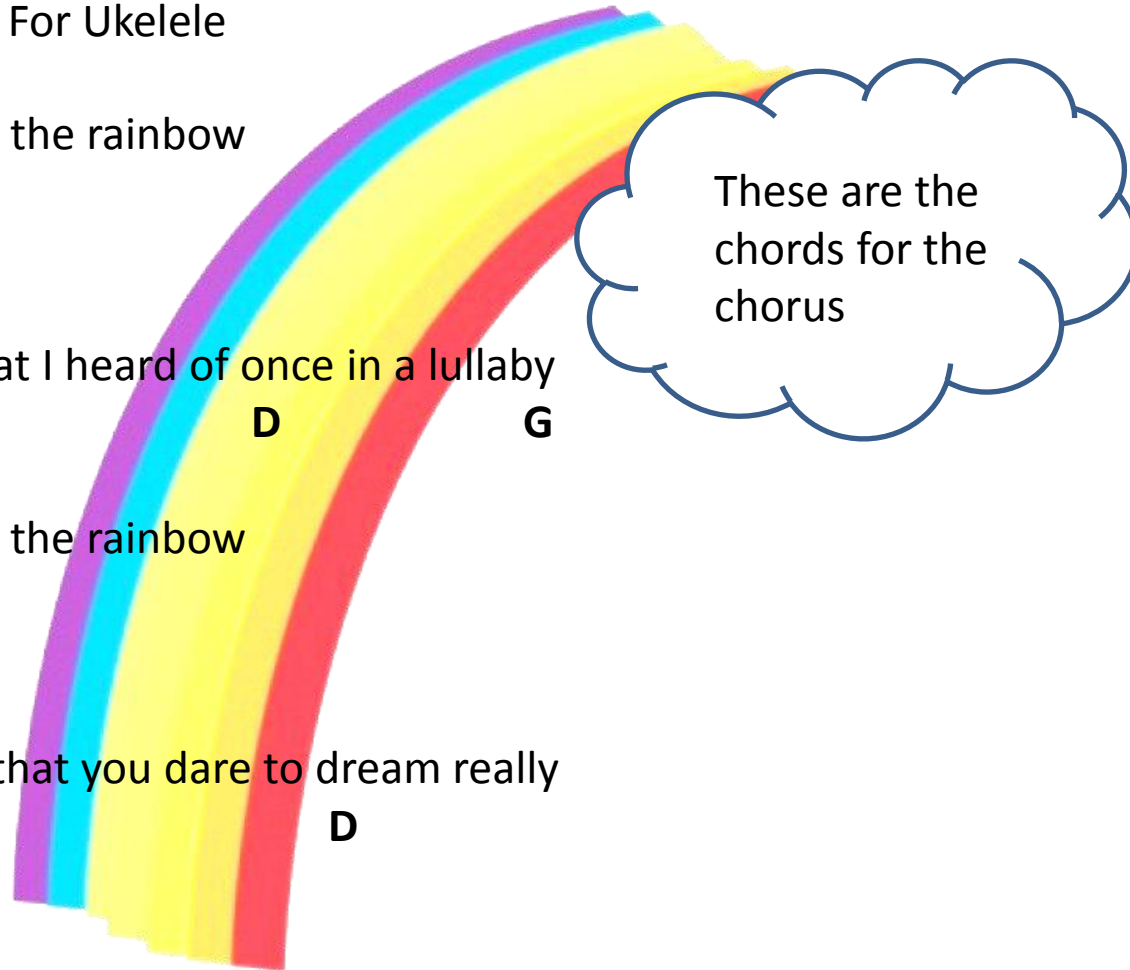

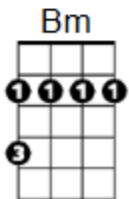

**C** **G**

And the dreams that you dare to dream really

**C** **G** **D**

do come true

These are the chords for the chorus
