

A musical staff with five horizontal blue lines. On the left is a black treble clef. To its right, five red letters are stacked vertically: F, D, B, G, E. To the right of the staff, a black line connects five circular notes. The first note is on the bottom line (E) with a '1' below it. A vertical line goes up to the second line (G), where a '5' is in a circle. A second vertical line goes up to the third line (B), where a '5' is in a circle. A diagonal line goes up to the fourth line (D), where a '6' is in a circle. A final vertical line goes down to the second line (G), where a '5' is in a circle.
